## Key Elements of the product

ZKB Capital Protection Note with Participation on a Basket is an investment product which combines the purchase of a "at the money" call option and a bond investment. At Maturity the investor participates in the positive performance of the Underlying. Additionally, a Minimum Redemption is guaranteed at Maturity, which is independent of the price behaviour of the components of the Underlying.

## Taxes

The product is considered as transparent and IUP (Intérêt Unique Prédominant). The implied internal rate of return is subject to income tax for private investors with Swiss tax domicile at sale or maturity (IRR 1.21% p.a., present value of bond part at issue 96.47%) and is determined in compliance with the "modifizierte Differenzbesteuerung" tax rule based on the ESTV Bondfloor Pricing method. Any return derived from the option part qualifies as capital gain and is not subject to Swiss income tax for private investors with Swiss tax domicile. The product is not subject to Swiss withholding tax. The Federal securities transfer stamp tax is levied on secondary market transactions for securities with initial duration of less than one year. This product may be subject to additional withholding taxes or duties, such as related to FATCA, Sect. 871(m) U.S. Tax Code or foreign financial transaction taxes. Any payments due under this product are net of such taxes or duties.

The information above is a summary only of the Issuer's understanding of current law and practice in Switzerland relating to the taxation of structured products. The relevant tax law and practice may change. The Issuer does not assume any liability in connection with the above information. The tax information only provides a general overview and can not substitute the personal tax advice to the investor.

## Documentation

This document is a non-binding English translation of the Final Terms (Endgültige Bedingungen) published in German and constituting the Final Terms in accordance with article 45 of the Federal Act on Financial Services (FinSA). The English language translation is provided for convenience only.

The binding German version of these Final Terms together with the applicable Base prospectus of the Issuer for the issuance of structured products approved by SIX Exchange Regulation Ltd (together with any supplements thereto, the "Base prospectus") constitute the product documentation for the present issue.

If this structured product was offered for the first time prior to the date of the respective applicable Base prospectus, the further legally binding product terms and conditions (the "Relevant Conditions") are derived from the Base prospectus or issuance program which was in force at the time of the first offer. The information on the Relevant Conditions is incorporated by reference of the respective Base prospectus or issuance program into the applicable Base prospectus in force at the time of issuance.

Except as otherwise defined in these Final Terms, the terms used in these Final Terms have the meaning given to them in the Base prospectus or the Relevant Conditions. In case of discrepancies between information or the provisions in these Final Terms and those in the Base prospectus or the Relevant Conditions, the information and provisions in these Final Terms shall prevail. The present products will be issued in the form of uncertificated securities (Wertrechte) and registered as book-entry securities (Bucheffekten) with SIX SIS Ltd. Investors have no right to require the issuance of any certificates or any proof of evidence for the products. **These Final Terms and the Base prospectus can be ordered free of charge at Zürcher Kantonalbank, Bahnhofstrasse 9, 8001 Zurich, dept. VRIS or by e-mail at [documentation@zkb.ch](mailto:documentation@zkb.ch). They are also available on <https://www.zkb.ch/finanzinformationen>.**

The table above is valid at maturity only and is by no means meant as a price indication for this Structured Product throughout its lifetime. The price of this Structured Product depends on additional risk factors between the Initial Fixing Date and the Final Fixing Date. The price quoted on the secondary market can therefore deviate substantially from the above table.

### 3. Material Risks for Investors

<b>Issuer Risk</b>	Obligations under this structured product constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product not only depends on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.
<b>Specific Product Risks</b>	<p>Structured products are complex investment products, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks.</p> <p>The loss potential of an investment in ZKB Capital Protection Note with Participation on a Basket is limited at Maturity to the difference between the purchase price and the Minimum Redemption. Nevertheless, during the lifetime of the product, the ZKB Capital Protection Note with Participation on a Basket may trade at a lower value than the Minimum Redemption. The product is denominated in CHF. The investor bears all the risks in connection with a possible exchange rate risk between the product currency, the currency of the components of the Underlying, and his reference currency.</p>
<b>4. Additional Terms</b>	
<b>Modifications</b>	If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.
<b>Change of Obligor</b>	The Issuer is entitled at all times and without the consent of the investors to assign in whole (but not in part) the rights and claims under individual structured products or all of them to a Swiss or foreign subsidiary, branch or holding company of the Zürcher Kantonalbank (the "New Issuer") to the extent that (i) the New Issuer assumes all of the obligations arising out of the assigned structured products which the previous Issuer owed in respect of these structured products, (ii) the Zürcher Kantonalbank enters into a keep-well agreement with the New Issuer with terms equivalent to the one between the Zürcher Kantonalbank and Zürcher Kantonalbank Finance (Guernsey) Limited, (iii) the New Issuer has received from the supervisory authorities of the country in which it is domiciled all necessary approvals for the issue of structured products and the assumption of the obligations under the assigned structured products.
<b>Market Disruptions</b>	Compare specific provisions in the base prospectus.
<b>Prudential Supervision</b>	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinIAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, <a href="https://www.finma.ch">https://www.finma.ch</a> .
<b>Recording of Telephone Conversations</b>	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
<b>Further Information</b>	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
<b>Material Changes</b>	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer and Zürcher Kantonalbank.

**Responsibility for the Final Terms**

Zürcher Kantonalbank, Zurich, and Zürcher Kantonalbank Finance (Guernsey) Limited, Guernsey, assume responsibility for the content of these Final Terms and hereby declare that, to their knowledge, the information contained in these Final Terms is correct and no material circumstances have been omitted.
