#### Net price of Underlying Components

The fixing of the price of the Underlying components at Initial Fixing, Rebalancings and Final Fixing is generally based on the Issuer's hedging transactions executed in the interest of the Issuer. The net price of the Underlying components corresponds to the (gross) price of the Underlying Components achieved during the execution of the hedging transactions plus any rebalancing fees, transaction costs such as stock exchange and broker fees, taxes and other charges.

#### Basket Value

CHF 1'000.00 on Initial Fixing Date

#### Ratio

1 ZKB Tracker Certificate Dynamic represents 1 Underlying

#### Dividend Payments

No dividends will be paid out. The dividend as a whole will be reinvested into the structured product in the form of a net dividend.

#### Initial Fixing Date

5 April 2024

The Issuer has the right to expand the time period for the Initial Fixing if required by current market conditions e.g. liquidity.

#### Settlement Date

12 April 2024

**Redemption right of the Issuer**

The Issuer has the right to redeem the outstanding structured products to any bank working day (Fixing day). On the fixing date, the redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The announcement and thus the declaration of intent to exercise the Redemption right is made with a notice period of 366 calendar days (calculated as the number of calendar days between the day on which the declaration of intent is made and the Fixing date) via the official publication channel of the SIX Swiss Exchange and on the website of Zürcher Kantonalbank. No statement of reasons is required. The redemption will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date).

**Right to return of the Investor**

In addition to the possibility of selling the structured products in the secondary market, the investor has the right to return the product on any bank business day (Fixing date). On the Fixing date, the Redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The declaration of intent to exercise the Right to return must be received no later than 366 calendar days before the respective Fixing date (calculated as the number of calendar days between the date of receipt of the declaration of intent by Zürcher Kantonalbank and the Fixing date) and must be sent to the following address: by letter post to Zürcher Kantonalbank, Sales structured products, IHHV, P.O. Box, 8010 Zürich or by email to [derivate@zkb.ch](mailto:derivate@zkb.ch). The repayment will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date). Should the structured products of the Investor be deposited in a custodian bank, the Investor needs additionally and in due time advise/inform his custodian bank according the notice of redemption.

**Initial Fixing Level**

Closing prices of the components of the Underlying on Related Exchanges, on 5 April 2024 Local taxes, transactions fees and foreign commissions are included in the Initial Fixing Value of each component if applicable.

**Redemption Method**

On Redemption Date, investors receive in cash for every certificate 100% of the Underlying as defined on the relevant fixing date and according to the following formula:

$$Ratio * \left( \sum_{i=1}^N S_{i,T} * W_{i,T} * FX_{i,T} \right) - Fees$$

where

Ratio = 1

$S_{i,T}$  = Value of the Component i of the Underlying on relevant fixing date

$W_{i,T}$  = Weighting of the Component i of the Underlying (number of Shares) on relevant fixing date

Fees = Annual Fee and Rebalancing Fees

$FX_{i,T}$  = Exchange rate of the Component i of the Underlying (to CHF) on relevant fixing date

T = Relevant fixing date

Negative interests could be charged on any potential Cash Components (overnight reference interest rate of the respective currency). This has a negative impact on the value of the structured product.

If capital events that were unknown at the time of issue take place during the life of the ZKB Tracker Certificate Dynamic, they shall be taken into account by adjusting the weighting of the affected Component of the Underlying accordingly.

**Listing**

Application to list on the SIX Swiss Exchange will be filed, planned first trading day will be 12 April 2024.

**Secondary Market**

Under normal market conditions, Zürcher Kantonalbank intends to provide bid and/or ask prices for this product on a regular basis. If both bid and ask prices are provided, it is intended to apply a spread of max. 0.5%. There is no obligation to provide corresponding liquidity. The non-binding indicative quotes can be found at [www.zkb.ch/finanzinformationen](http://www.zkb.ch/finanzinformationen).

**Annual Fee**

1.00% p.a. The Annual Fee will be charged based on the value of the structured product and is pro rata temporis included in the trading price. Of the Annual Fee, the Issuer receives 0.20% p.a. and the Investment Manager receives 0.80% p.a. for their relevant duties.

**Rebalancing Fee**

A flat-rate Rebalancing Fee of 0.05% of the gross the transaction value is charged to the Product per Rebalancing. The Rebalancing Fee is in favour of the Issuer and, for the avoidance of doubt, always in addition to any Transaction costs.

<b>Transaction costs</b>	At the Initial Fixing, Rebalancing or Final fixing of the Product, the transaction costs actually incurred in the execution of the transactions, such as stock exchange and broker fees, taxes and other charges, are charged. Detailed information on the exact transaction costs is available on request from the Issuer or Lead Manager.

The performance of the ZKB Tracker Certificate Dynamic is analog to the performance of the Underlying less any Fees. Therefore, the investor may suffer a partial or total loss. Any fees are not included in the table above.

The figures in the table above are valid after Year 1 only and cannot be considered as a price indication for the present structured product during its lifetime. During the lifetime of the structured product, additional risk factors emerge which have a decisive influence on the value of the structured product. The price quoted in the secondary market can differ substantially from the table above.

## 3. Material Risks for Investors

### Issuer Risk

Obligations under these structured products constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product does not only depend on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.

### Specific Product Risks

Structured products are complex financial instruments, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks.

ZKB Tracker Certificate Dynamic is an investment product whose price fluctuates to the same degree as the Underlying less any Fees. Depending on price trends, the price of a ZKB Tracker Certificate Dynamic could fall below the Issue Price. The risk profile of the ZKB Tracker Certificate Dynamic corresponds to that of the Underlying. The ZKB Tracker Certificate Dynamic is denominated in CHF. If the investor's reference currency differs from the CHF, the investor bears the risk between the CHF and his reference currency.

## 4. Additional Terms

### Modifications

If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.

### Market Disruptions

Compare specific provisions in the base prospectus.

<b>Substitution of Underlying</b>	During the term of the structured product, changes in or substitution of the Underlying by the Calculation Agent can occur. In this case, it cannot be ruled out that such changes or substitutions will negatively affect the value of the structured product. Likewise, it cannot be ruled out that in the case of a structured product based on an index that changes in the composition of the index as a result of change or substitutions in respect of individual index components, for example, as a result of the withdrawal or addition of individual securities, may negatively influence the price of the index and accordingly the value of the structured product.
<b>Prudential Supervision</b>	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinIAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, <a href="https://www.finma.ch">https://www.finma.ch</a> .
<b>Recording of Telephone Conversations</b>	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
<b>Further Information</b>	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
<b>Material Changes</b>	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer.
<b>Responsibility for the Final Terms</b>	Zürcher Kantonalbank, Zurich, assumes responsibility for the content of these Final Terms and hereby declares that, to its knowledge, the information contained in these Final Terms is correct and no material circumstances have been omitted.
