Investment Profile	<p>The composition of the Underlying of this structured product is managed dynamically and discretionary over the course of its term.</p> <p>The Investment Manager radicant bank ag enables clients to invest in companies that contribute to the achievement of one or several of the 17 Sustainable Development Goals of the UN Agenda 2030 (SDGs). To this end, securities are selected from companies that make a net positive contribution to the achievement of the SDGs according to radicant bank ag's proprietary sustainability analysis. Particular attention is paid to which solutions a company provides in the form of products or services that have a positive impact on the SDGs. The SDGs address the major challenges of our time. The pressure from society to solve these problems will continue to increase, pushing policymakers to create sustainable incentive schemes. Companies that align their economic activities with this will benefit. Investments in the trends of the future derived from the 2030 Agenda should therefore pay off.</p> <p>The investment solution «radicant SDG Impact Solutions - Climate Stability» aims to promote the Sustainable Development Goals SDG 7 «Affordable and Clean Energy», SDG 11 «Sustainable Cities and Communities» and SDG 13 «Climate Action». These goals aim to restore climate stability by ensuring access to affordable and sustainable energy for all (SDG 7), making cities and settlements inclusive, safe, resilient and sustainable (SDG 11), and taking action to mitigate climate change and its impacts (SDG 13). The selected companies offer sustainable solutions in areas such as solar, wind or hydropower, hydrogen, energy efficiency, electromobility, clean logistics or «green» real estate. The increasing tangibility of the climate crisis, the rising heat and congestion of cities and the growing need for independent energy supply should favour this investment trend in the next decade.</p> <p>Further information about the investment strategy – if available – can be obtained free of charge from Zürcher Kantonalbank, Bahnhofstrasse 9, 8001 Zürich, department VRIE or by way of e-Mail address documentation@zkb.ch or from the Investment Manager itself resp. via its website www.radicant.com.</p>
