Investment Profile

The composition of the Underlying of this structured product is managed **dynamically** and **discretionary** over the course of its term.

The main investment principles are capital protection and the long-term preservation of real purchasing power. The Realeo certificate invests mainly in tangible assets and thus seeks to preserve the investor's purchasing power in the long term.

Further information about the investment strategy – if available – can be obtained free of charge from Zürcher Kantonalbank, Bahnhofstrasse 9, 8001 Zürich, department VRIE or by way of e-Mail address documentation@zkb.ch.

Title Universe

The Title Universe consists of performance- and asset-based real assets. Swiss investments and real assets are a focus of the investment activity. The certificate invests mainly in tangible assets and thus secures the investor's purchasing power in the long term. The current composition of the Underlying can be requested free of charge by email at documentation@zkb.ch or by telephone on 044 292 60 65.

Rebalancing	The Investment Manager rebalances the portfolio composition based on its qualified evaluation of the market. The Investment Manager considers only Underlying Components which provide sufficient liquidity and tradability. The Rebalancing is based on net prices of the Underlying Components (average of the net prices of the Underlying Components converted into the basket currency by the Issuer). The rebalancing period may be prolonged by the Issuer due to limited tradability.
Issuer	Zürcher Kantonalbank, Zurich
Rating of the Issuer	Standard & Poor's AAA, Moody's Aaa, Fitch AAA
Lead Manager, Paying Agent, Exercise Agent and Calculation Agent	Zürcher Kantonalbank, Zurich
Investment Manager	T&T International Wealth Management Ltd, Rotkreuz T&T International Wealth Management Ltd is licensed as portfolio manager by the Swiss Financial Market Supervisory Authority FINMA. It is subject to the supervisory organization FINcontrol Suisse Ltd. The Investment Manager may not only act as distributor of the structured product and/or Investment Manager in relation to the Underlying but also as asset manager or financial advisor in relation to the investors in the structured products. This may lead to potential conflicts between the interests of the investors and the interests of the Investment Manager. The Investment Manager has taken all necessary measures to avoid such potential conflict of interest or, if such avoidance is not reasonably possible, will disclose such conflict of interest to the investors concerned.

Initial Fixing Date 7 February 2025
The Issuer has the right to expand the time period for the Initial Fixing if required by current market conditions e.g. liquidity.

Settlement Date 14 February 2025

Redemption right of the Issuer The Issuer has the right to redeem the outstanding structured products to any bank working day (Fixing day). On the fixing date, the redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The announcement and thus the declaration of intent to exercise the Redemption right is made with a notice period of 366 calendar days (calculated as the number of calendar days between the day on which the declaration of intent is made and the Fixing date) on the website of Zürcher Kantonalbank. No statement of reasons is required. The redemption will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date).

Right to return of the Investor	In addition to the possibility of selling the structured products in the secondary market, the Investor is granted the right to return the product to the Issuer annually on the 15th day of June (fixing date; modified following), for the first time on 15 June 2025. On the Fixing date, the Redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The declaration of intent to exercise the Right to return must be received no later than 5 bank working days before the respective Fixing date (calculated as the number of calendar days between the date of receipt of the declaration of intent by Zürcher Kantonalbank and the Fixing date) and must be sent to the following address: by letter post to Zürcher Kantonalbank, Sales structured products, IHHV, P.O. Box, 8010 Zürich or by email to derivate@zkb.ch . The repayment will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date). Should the structured products of the Investor be deposited in a custodian bank, the Investor needs additionally and in due time advise/inform his custodian bank according the notice of redemption.
Initial Fixing Level	7 February 2025, average net price of the Components of the Underlying on a best effort basis. Local taxes, transactions fees and foreign commissions are included in the Initial Fixing Value of each component if applicable.
Redemption Method	On Redemption Date, investors receive in cash for every certificate 100% of the Underlying as defined on the relevant fixing date and according to the following formula: $\text{Ratio} * \left(\sum_{i=1}^N S_{i,T} * W_{i,T} \right) - \text{Fees}$ where Ratio = 1 $S_{i,T}$ = Value of the Component i of the Underlying on relevant fixing date $W_{i,T}$ = Weighting of the Component i of the Underlying (number of Shares) on relevant fixing date Fees = Annual Fee , Rebalancing Fees and Performance Fees T = Relevant fixing date Negative interests could be charged on any potential Cash Components (overnight reference interest rate of the respective currency). This has a negative impact on the value of the structured product. If capital events that were unknown at the time of issue take place during the life of the ZKB Tracker Certificate Dynamic, they shall be taken into account by adjusting the weighting of the affected Component of the Underlying accordingly.
Listing	The product shall not be listed on an exchange.
Secondary Market	Under normal market conditions, Zürcher Kantonalbank intends to provide bid and/or ask prices for this product on a regular basis. There is no obligation to provide corresponding liquidity. The non-binding indicative quotes can be found at www.zkb.ch/finanzinformationen .
Annual Fee	1.60% p.a. The Annual Fee will be charged based on the value of the structured product and is pro rata temporis included in the trading price. Of the Annual Fee, the Issuer receives 0.40% p.a. and the Investment Manager receives 1.20% p.a. for their relevant duties.
Rebalancing Fee	A Rebalancing Fee of 0.10% of the transaction value will be charged per Rebalancing.
Performance Fee	10.00% of the positive performance of the Underlying in favor of the Investment Manager. The Performance Fee is deducted on a daily basis under the condition that the value of the Certificate is higher than the highest previously reached value of the Certificate (high watermark).
Clearing House	SIX SIS AG/Euroclear/Clearstream
Distribution fees	Distribution fees in the form of a discount on the Issue price, reimbursement of a part of the Issue price or other one-off and/or periodic charges may have been paid to one or several distribution partners of this product. The Distribution Fees paid out to distribution partners may amount up to 0.20% p.a., totalling up to 2.00%.

Key Elements of the product	In terms of value, buying a ZKB Tracker Certificate Dynamic is equivalent to buying the Underlying less any Fees. A single, low-cost transaction gives investors the opportunity to participate fully in the performance of the Underlying. Dividend Payments of underlying components in the basket are paid out to the investor by means of Dividend reinvestment in the Underlying. Redemption is based on the weighted value of Underlying components on the Fixing Date.
Taxes	<p>The Issuer reports the taxable factors (change to previous year's value) divided in the components income and capital gain to the Swiss Federal Tax Administration on 31 October each year. The income part is subject to Swiss income tax for private investors with Swiss tax domicile as per reporting date. The capital gain part is not subject to Swiss income tax. The product is not subject to Swiss withholding tax. The Federal securities transfer stamp tax is not levied on secondary market transactions. This product may be subject to additional withholding taxes or duties, such as related to FATCA, Sect. 871(m) U.S. Tax Code or foreign financial transaction taxes. Any payments due under this product are net of such taxes or duties.</p> <p>The information above is a summary only of the Issuer's understanding of current law and practice in Switzerland relating to the taxation of structured products. The relevant tax law and practice may change. The Issuer does not assume any liability in connection with the above information. The tax information only provides a general overview and can not substitute the personal tax advice to the investor.</p>

The performance of the ZKB Tracker Certificate Dynamic is analog to the performance of the Underlying less any Fees. Therefore, the investor may suffer a partial or total loss. Rebalancing Fees are not included in the table above. The inclusion of the Performance Fee in the table above is based on the assumption that the basket value mentioned represents the highest level and has never been exceeded before.

The figures in the table above are valid after Year 1 only and cannot be considered as a price indication for the present structured product during its lifetime. During the lifetime of the structured product, additional risk factors emerge which have a decisive influence on the value of the structured product. The price quoted in the secondary market can differ substantially from the table above.

3. Material Risks for Investors

Issuer Risk

Obligations under these structured products constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product does not only depend on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.

Specific Product Risks

Structured products are complex financial instruments, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks.

ZKB Tracker Certificate Dynamic is an investment product whose price fluctuates to the same degree as the Underlying less any Fees. Depending on price trends, the price of a ZKB Tracker Certificate Dynamic could fall below the Issue Price. The risk profile of the ZKB Tracker Certificate Dynamic corresponds to that of the Underlying. The ZKB Tracker Certificate Dynamic is denominated in CHF. If the investor's reference currency differs from the CHF, the investor bears the risk between the CHF and his reference currency.

4. Additional Terms

Modifications

If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.

Market Disruptions

Compare specific provisions in the base prospectus.

Early Termination in Case of Change of Law

The Issuer reserves the right of early termination in respect of all structured products issued under this issuance program for tax reasons (such as, e.g., in the situation in which the Issuer would be required on account of new tax laws to pay additional amounts which result from the withholding or deduction of current or future taxes, imposts, charges or fees, regardless of type), as well as in the case of limitations in respect of its activities as Issuer through new laws or administrative measures (e.g., if it is prohibited under supervisory law from issuing structured products).

Substitution of Underlying	During the term of the structured product, changes in or substitution of the Underlying by the Calculation Agent can occur. In this case, it cannot be ruled out that such changes or substitutions will negatively affect the value of the structured product. Likewise, it cannot be ruled out that in the case of a structured product based on an index that changes in the composition of the index as a result of change or substitutions in respect of individual index components, for example, as a result of the withdrawal or addition of individual securities, may negatively influence the price of the index and accordingly the value of the structured product.
Prudential Supervision	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinIAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, https://www.finma.ch .
Recording of Telephone Conversations	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
Further Information	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
Material Changes	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer.
Responsibility for the Final Terms	Zürcher Kantonalbank, Zurich, assumes responsibility for the content of these Final Terms and hereby declares that, to its knowledge, the information contained in these Final Terms is correct and no material circumstances have been omitted.
