Final Terms

1. Product Description

Product Category/Name

Participation Product/Tracker Certificate (1300, according to the Swiss Derivative Map provided by the Swiss Structured Products Association)

Regulatory Notification

This product does not constitute a collective investment scheme within the meaning of the Swiss Federal Act on Collective Investment Schemes (CISA) and it is not subject to authorisation or supervision by FINMA. The issuer risk is borne by investors.

Investment Profile

The composition of the Underlying of this structured product is managed **dynamically** and **discretionary** over the course of its term.

The selection of the underlying constituents is made by the investment manager on the basis of a proprietary model in which quantitative and qualitative factors are taken into account. This includes liquidity and return figures. This approach forms the basis for the Investment Manager's qualified market assessment, from which investment decisions are derived.

Further information about the investment strategy – if available – can be obtained free of charge from Zürcher Kantonalbank, Bahnhofstrasse 9, 8001 Zürich, department VRIE or by way of e-Mail address documentation@zkb.ch.

Title Universe	The Title Universe consists of Swiss corporate stocks. The cash component may have a maximum weighting of 50%. The Investment Manager may invest in short ETFs on the broad market for hedging purposes according to its qualified market assessment. The Underlying constituents are listed at a recognized exchange (World Federation of Exchanges or FESE (Federation of European Securities Exchanges)). The current composition of the Underlying can be found under www.zkb.ch/strukturierteprodukte .
Rebalancing	The Investment Manager rebalances the portfolio composition based on its qualified evaluation of the market. From the 5th rebalancing in a calendar year on, a rebalancing fee of 0.10% is charged based on the amount of the transaction. The Investment Manager considers only Underlying Components which provide sufficient liquidity and tradability. The Rebalancing is based on net prices of the Underlying Components (average of the net prices of the Underlying Components converted into the basket currency by the Issuer). The rebalancing period may be prolonged by the Issuer due to limited tradability.
Issuer	Zürcher Kantonalbank, Zurich
Rating of the Issuer	Standard & Poor's AAA, Moody's Aaa, Fitch AAA
Lead Manager, Paying Agent, Exercise Agent and Calculation Agent	Zürcher Kantonalbank, Zurich
Investment Manager	SI Schwarz Investments AG, Zug SI Schwarz Investments AG is not subject to the prudential supervision of the FINMA and is supervised by the Self-regulatory organisation (SRO) Financial Services Standards Association (VQF). The Investment Manager may not only act as distributor of the structured product and/or Investment Manager in relation to the Underlying but also as asset manager or financial advisor in relation to the investors in the structured products. This may lead to potential conflicts between the interests of the investors and the interests of the Investment Manager. The Investment Manager has taken all necessary measures to avoid such potential conflict of interest or, if such avoidance is not reasonably possible, will disclose such conflict of interest to the investors concerned.

* Local taxes, transactions fees and foreign commissions are, if applicable, included in the Initial Fixing Value of each component and are thus borne by the holders of the structured product. This applies particularly, though not exclusively, when exercising rights associated with the structured product and/or a Rebalancing.

Basket Value	CHF 127.449 on Initial Fixing Date
Ratio	1 ZKB Tracker Certificate Dynamic represents 1 Underlying
Dividend Payments	No dividends will be paid out. The dividend as a whole will be reinvested into the structured product in the form of a net dividend.
Initial Fixing Date	17 February 2023 The Issuer has the right to expand the time period for the Initial Fixing if required by current market conditions e.g. liquidity.
Settlement Date	24 February 2023
Redemption right of the Issuer	The Issuer has the right to redeem the outstanding structured products to any bank working day (Fixing day). On the fixing date, the redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The announcement and thus the declaration of intent to exercise the Redemption right is made with a notice period of 366 calendar days (calculated as the number of calendar days between the day on which the declaration of intent is made and the Fixing date) via the official publication channel of the SIX Swiss Exchange and on the website of Zürcher Kantonalbank. No statement of reasons is required. The redemption will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date).
Right to return of the Investor	In addition to the possibility of selling the structured products in the secondary market, the investor has the right to return the product on any bank business day (Fixing date). On the Fixing date, the Redemption amount is determined, which is governed by the information under the section Redemption Method. The Issuer has the right to expand the time period for the Final Fixing if required by current market conditions e.g. liquidity. The declaration of intent to exercise the Right to return must be received no later than 366 calendar days before the respective Fixing date (calculated as the number of calendar days between the date of receipt of the declaration of intent by Zürcher Kantonalbank and the Fixing date) and must be sent to the following address: by letter post to Zürcher Kantonalbank, Sales structured products, IHHV, P.O. Box, 8010 Zürich or by email to derivate@zkb.ch . The repayment will be executed with a value date of 5 bank working days after the Fixing date (Redemption Date). Should the structured products of the Investor be deposited in a custodian bank, the Investor needs additionally and in due time advise/inform his custodian bank according the notice of redemption.
Initial Fixing Level	Closing prices of the components of the Underlying on Related Exchanges, on 17 February 2023 Local taxes, transactions fees and foreign commissions are included in the Initial Fixing Value of each component if applicable.
Redemption Method	On Redemption Date, investors receive in cash for every certificate 100% of the Underlying as defined on the relevant fixing date and according to the following formula: $Ratio * (\sum_{i=1}^N S_{i,T} * W_{i,T}) - Fees$ where Ratio = 1 $S_{i,T}$ = Value of the Component i of the Underlying on relevant fixing date $W_{i,T}$ = Weighting of the Component i of the Underlying (number of Shares) on relevant fixing date Fees = Annual Fee and Rebalancing Fees T = Relevant fixing date Negative interests could be charged on any potential Cash Components (overnight reference interest rate of the respective currency). This has a negative impact on the value of the structured product. If capital events that were unknown at the time of issue take place during the life of the ZKB Tracker Certificate Dynamic, they shall be taken into account by adjusting the weighting of the affected Component of the Underlying accordingly.
Listing	Application to list on the SIX Swiss Exchange will be filed, planned first trading day will be 24 February 2023.

Secondary Market	Zürcher Kantonalbank commits to continuously provide bid and ask prices with a spread of max. 1.00% under normal market conditions. Further obligations of Zürcher Kantonalbank (market making obligation) regarding the provision of quotes may result from the specifications of the relevant stock exchange.	
Annual Fee	1.50% p.a. The Annual Fee will be charged based on the value of the structured product and is pro rata temporis included in the trading price. Of the Annual Fee, the Issuer receives 0.30% p.a. and the Investment Manager receives 1.20% p.a. for their relevant duties.	
Rebalancing Fee	From the 5th rebalancing in a calendar year onwards, the product is charged with 0.10% of the transaction value for each further rebalancing.	
Clearing House	SIX SIS AG/Euroclear/Clearstream	
Distribution fees	No distribution fees in the form of a discount on Issue price, reimbursement of a part of the Issue price or other one-off and/or periodic charges are paid out to one or several distribution partners of this structured product.

The performance of the ZKB Tracker Certificate Dynamic is analog to the performance of the Underlying less any Fees. Therefore, the investor may suffer a partial or total loss. Rebalancing Fees are not included in the table above.

The figures in the table above are valid after Year 1 only and cannot be considered as a price indication for the present structured product during its lifetime. The price quoted in the secondary market can differ substantially from the table above.

3. Material Risks for Investors

Issuer Risk

Obligations under these structured products constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product does not only depend on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.

Specific Product Risks

Structured products are complex financial instruments, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks. ZKB Tracker Certificate Dynamic is an investment product whose price fluctuates to the same degree as the Underlying less any Fees. Depending on price trends, the price of a ZKB Tracker Certificate Dynamic could fall below the Issue Price. The risk profile of the ZKB Tracker Certificate Dynamic corresponds to that of the Underlying. The ZKB Tracker Certificate Dynamic is denominated in CHF. If the investor's reference currency differs from the CHF, the investor bears the risk between the CHF and his reference currency.

4. Additional Terms

Modifications	If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.
Market Disruptions	Compare specific provisions in the base prospectus.
Substitution of Underlying	During the term of the structured product, changes in or substitution of the Underlying by the Calculation Agent can occur. In this case, it cannot be ruled out that such changes or substitutions will negatively affect the value of the structured product. Likewise, it cannot be ruled out that in the case of a structured product based on an index that changes in the composition of the index as a result of change or substitutions in respect of individual index components, for example, as a result of the withdrawal or addition of individual securities, may negatively influence the price of the index and accordingly the value of the structured product.
Prudential Supervision	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinlAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, https://www.finma.ch .
Recording of Telephone Conversations	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
Further Information	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
Material Changes	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer.
Responsibility for the Final Terms	Zürcher Kantonalbank, Zurich, assumes responsibility for the content of these Final Terms and hereby declares that, to its knowledge, the information contained in these Final Terms is correct and no material circumstances have been omitted.
