Redemption Method

On Redemption Date, investors receive in cash for every certificate 100% of the Underlying as defined on the relevant fixing date/Final Fixing Date and according to the following formula:

$$\text{Ratio} * \left(\sum_{i=1}^N S_{i,T} * W_{i,T} \right) - \text{Fees}$$

where

Ratio = 1**

$S_{i,T}$ = Value of the Component i of the Underlying on relevant fixing date/Final Fixing Date

$W_{i,T}$ = Weighting of the Component i of the Underlying (number of Shares) on relevant fixing date/Final Fixing Date

Fees = Annual, Rebalancing and Transaction Fees

T = Relevant fixing date/Final Fixing Date

Negative interests could be charged on any potential Cash Components (overnight reference interest rate of the respective currency). This has a negative impact on the value of the structured product.

If capital events that were unknown at the time of issue take place during the life of the ZKB Tracker Certificate Dynamic, they shall be taken into account by adjusting the weighting of the affected Component of the Underlying accordingly.

Listing

Application to list on the SIX Swiss Exchange will be filed, planned first trading day will be 7 June 2024.

Secondary Market

Under normal market conditions, Zürcher Kantonalbank intends to provide bid and/or ask prices for this product on a regular basis. There is no obligation to provide corresponding liquidity. The non-binding indicative quotes can be found at www.zkb.ch/finanzinformationen.

Annual Fee

0.30% p.a. The Annual Fee will be charged based on the value of the structured product and is pro rata temporis included in the trading price. Of the Annual Fee, the Issuer receives 0.30% p.a. and the Investment Manager receives 0.00% p.a. for their relevant duties.

Rebalancing Fee

A flat-rate Rebalancing Fee of 0.10% of the gross the transaction value is charged to the Product per Rebalancing. The Rebalancing Fee is in favour of the Issuer and, for the avoidance of doubt, always in addition to any Transaction costs.

Key Elements of the product

In terms of value, buying a ZKB Tracker Certificate Dynamic is equivalent to buying the Underlying less any Fees. A single, low-cost transaction gives investors the opportunity to participate fully in the performance of the Underlying. Dividend Payments of underlying components in the basket are paid out to the investor by means of Dividend reinvestment in the Underlying. Redemption is based on the weighted value of Underlying components on the Final Fixing Date.

Taxes

The Issuer reports the taxable factors (change to previous year's value) divided in the components income and capital gain to the Swiss Federal Tax Administration on 31 October each year. The income part is subject to Swiss income tax for private investors with Swiss tax domicile as per reporting date. The capital gain part is not subject to Swiss income tax. The product is not subject to Swiss withholding tax. The Federal securities transfer stamp tax is not levied on secondary market transactions. This product may be subject to additional withholding taxes or duties, such as related to FATCA, Sect. 871(m) U.S. Tax Code or foreign financial transaction taxes. Any payments due under this product are net of such taxes or duties.

The information above is a summary only of the Issuer's understanding of current law and practice in Switzerland relating to the taxation of structured products. The relevant tax law and practice may change. The Issuer does not assume any liability in connection with the above information. The tax information only provides a general overview and can not substitute the personal tax advice to the investor.

The performance of the ZKB Tracker Certificate Dynamic is analog to the performance of the Underlying less any Fees. Therefore, the investor may suffer a partial or total loss. Any fees are not included in the table above.

The figures in the table above are valid after Year 1 only and cannot be considered as a price indication for the present structured product during its lifetime. During the lifetime of the structured product, additional risk factors emerge which have a decisive influence on the value of the structured product. The price quoted in the secondary market can differ substantially from the table above.

3. Material Risks for Investors

Issuer Risk	Obligations under these structured products constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product does not only depend on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.
Specific Product Risks	<p>Structured products are complex financial instruments, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks.</p> <p>ZKB Tracker Certificate Dynamic is an investment product whose price fluctuates to the same degree as the Underlying less any Fees. Depending on price trends, the price of a ZKB Tracker Certificate Dynamic could fall below the Issue Price. The risk profile of the ZKB Tracker Certificate Dynamic corresponds to that of the Underlying. The ZKB Tracker Certificate Dynamic is denominated in USD. If the investor's reference currency differs from the USD, the investor bears the risk between the USD and his reference currency.</p>
4. Additional Terms	
Modifications	If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.
Market Disruptions	Compare specific provisions in the base prospectus.
Substitution of Underlying	During the term of the structured product, changes in or substitution of the Underlying by the Calculation Agent can occur. In this case, it cannot be ruled out that such changes or substitutions will negatively affect the value of the structured product. Likewise, it cannot be ruled out that in the case of a structured product based on an index that changes in the composition of the index as a result of change or substitutions in respect of individual index components, for example, as a result of the withdrawal or addition of individual securities, may negatively influence the price of the index and accordingly the value of the structured product.
Prudential Supervision	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinIAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, https://www.finma.ch .
Recording of Telephone Conversations	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
Further Information	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
Material Changes	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer.
Responsibility for the indicative Final Terms	Zürcher Kantonalbank, Zurich, assumes responsibility for the content of these indicative Final Terms and hereby declares that, to its knowledge, the information contained in these indicative Final Terms is correct and no material circumstances have been omitted.
