Regulatory Notification

This product does not constitute a collective investment scheme within the meaning of the Swiss Federal Act on Collective Investment Schemes (CISA) and it is not subject to authorisation or supervision by FINMA. The issuer risk is borne by investors.

Investment Profile

The composition of the Underlying of this structured product is managed **dynamically** and **discretionary** over the course of its term.

The stock selection is based on an internal model of the investment manager and is aligned to quantitative and qualitative criteria.

Further information about the investment strategy – if available – can be obtained free of charge from Zürcher Kantonalbank, Bahnhofstrasse 9, 8001 Zürich, department VRIS or by way of e-Mail address documentation@zkb.ch.

Title Universe	The Title Universe consists of Exchange Traded Funds (ETFs) on equity- and bond investments. The majority is invested in ETFs with an equity character and a smaller proportion in addition into ETFs with a fixed income character - any residual amount is invested in cash. The cash component may have a maximum weighting of 50%. The ETFs are listed at a recognized exchange (World Federation of Exchanges or FESE (Federation of European Securities Exchanges)). The current composition of the Underlying can be found under www.zkb.ch/strukturierteprodukte .
Rebalancing	The Investment Manager rebalances generally 12 times a year the portfolio composition based on its qualified evaluation of the market. The Investment Manager considers only ETFs which provide sufficient liquidity and tradability. The Rebalancing is based on net prices of the Underlyings and/or on NAV prices (incl. agio/disagio), (average of the net prices of the underlyings converted into the basket currency by the Issuer). The rebalancing period may be prolonged by the Issuer due to limited tradability.
Issuer	Zürcher Kantonalbank, Zurich
Rating of the Issuer	Standard & Poor's AAA, Moody's Aaa, Fitch AAA
Lead Manager, Paying Agent, Exercise Agent and Calculation Agent	Zürcher Kantonalbank, Zurich
Investment Manager	Hypothekbank Lenzburg Ltd. (HBL), HBL Asset Management As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinlAG; SR 954.1), Hypothekbank Lenzburg Ltd. (HBL) is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, https://www.finma.ch . The Investment Manager may not only act as Investment Manager in relation to the Underlying and, where applicable, as distributor of the structured product, but also as asset manager or financial advisor in relation to the investors in the structured products. This may lead to potential conflicts between the interests of the investors and the interests of the Investment Manager. The Investment Manager has taken all necessary measures to avoid such potential conflict of interest or, if such avoidance is not reasonably possible, will disclose such conflict of interest to the investors concerned.

The performance of the ZKB Tracker Certificate Dynamic is analog to the performance of the Underlying less any Fees. Therefore, the investor may suffer a partial or total loss. Any fees are not included in the table above.

The figures in the table above are valid after Year 1 only and cannot be considered as a price indication for the present structured product during its lifetime. During the lifetime of the structured product, additional risk factors emerge which have a decisive influence on the value of the structured product. The price quoted in the secondary market can differ substantially from the table above.

3. Material Risks for Investors

Issuer Risk

Obligations under these structured products constitute direct, unconditional and unsecured obligations of the Issuer and rank pari passu with other direct, unconditional and unsecured obligations of the Issuer. The value of the structured product does not only depend on the performance of the Underlying and other developments in the financial markets, but also on the solvency of the Issuer, which may change during the term of this structured product.

Specific Product Risks

Structured products are complex financial instruments, which entail considerable risks and, accordingly, are only suitable for investors who have the requisite knowledge and experience and understand thoroughly the risks connected with an investment in these structured products and are capable of bearing the economic risks. ZKB Tracker Certificate Dynamic is an investment product whose price fluctuates to the same degree as the Underlying less any Fees. Depending on price trends, the price of a ZKB Tracker Certificate Dynamic could fall below the Issue Price. The risk profile of the ZKB Tracker Certificate Dynamic corresponds to that of the Underlying. The ZKB Tracker Certificate Dynamic is denominated in CHF. The investor bears all the risks in connection with a possible exchange rate risk between the product currency, the currency of the components of the Underlying, and his reference currency.

4. Additional Terms

Modifications	If an extraordinary event as described in the base prospectus occurs in relation to the Underlying/a component of the Underlying or if any other extraordinary event occurs, which makes it impossible or particularly cumbersome for the Issuer, to fulfill its obligations under the products or to calculate the value of the products, the Issuer shall at its own discretion take all the necessary actions and, if necessary may modify the terms and conditions of these products at its own discretion in such way, that the economic value of the products after occurrence of the extraordinary event corresponds, to the extent possible, to the economic value of the products prior to the occurrence of the extraordinary event. Specific modification rules for certain types of Underlyings stated in the base prospectus shall prevail. If the Issuer determines, for whatever reason, that an adequate modification is not possible, the Issuer has the right to redeem the products early.
Market Disruptions	Compare specific provisions in the base prospectus.
Substitution of Underlying	During the term of the structured product, changes in or substitution of the Underlying by the Calculation Agent can occur. In this case, it cannot be ruled out that such changes or substitutions will negatively affect the value of the structured product. Likewise, it cannot be ruled out that in the case of a structured product based on an index that changes in the composition of the index as a result of change or substitutions in respect of individual index components, for example, as a result of the withdrawal or addition of individual securities, may negatively influence the price of the index and accordingly the value of the structured product.
Prudential Supervision	As a bank within the meaning of the Swiss Federal Act on Banks and Savings Banks (BankG; SR 952.0) and a securities firm within the meaning of the Swiss Federal Act on Financial Institutions (FinlAG; SR 954.1), Zürcher Kantonalbank is subject to the prudential supervision of FINMA, Laupenstrasse 27, CH-3003 Bern, https://www.finma.ch .
Recording of Telephone Conversations	Investors are reminded that telephone conversations with trading or sales units of Zürcher Kantonalbank are recorded. Investors, engaging in telephone conversations with these units provide their tacit consent to the recording of their conversations.
Further Information	This document constitutes neither an offer nor a recommendation or invitation to purchase financial instruments and can't replace the individual investor's own judgement. The information contained in this document does not constitute investment advice but is intended solely as a product description. An investment decision should in any case be made on the basis of these Final Terms and the base prospectus. Particularly, before entering into a transaction, the investor should, if necessary with the assistance of an advisor, examine the conditions for investment in the product in consideration of his personal situation with regard to legal, regulatory, tax and other consequences. Only an investor who is aware of the risks of the transaction and has the financial capacity to bear any losses should enter into such transactions.
Material Changes	Since the end of the last financial year or the date of the interim financial statements, there have been no material changes in the assets, financial or revenue position of the Issuer.
Responsibility for the indicative Final Terms	Zürcher Kantonalbank, Zurich, assumes responsibility for the content of these indicative Final Terms and hereby declares that, to its knowledge, the information contained in these indicative Final Terms is correct and no material circumstances have been omitted.
